

We have received permission from the Mayor and City Manager to provide a parking lot worship service. On arrival, tune your car radio to FM 93.7 to hear the songs, sermon, and prayers. We must strictly adhere to the currently mandated Social Distancing requirements.

- **Everyone must remain in their vehicles at all times.**
- **The rest room facilities will not available for use!**
- **The Security Team will be present to direct you, from the Wesley Drive entrances only, to the first available parking spot, where you must remain in your vehicle.**
- **Do not feel obligated to attend. If you are ill or have not left your home during these last few weeks, please STAY AT HOME. We will continue to provide the video sermon and other worship resources for you to access from home.**
- **Do not carpool with others not a part of your household.**
- **NO HONKING OF HORNS as a greeting or AMEN. We are in a residential area and we want to be good neighbors.**
- **This in not meant to be an attention generating event, strictly an opportunity to gather & worship together. All attending must adhere to Social Distancing guidelines.**
- **Wearing a face mask is optional as we won't be leaving our vehicles.**

We will be sharing Communion together but you must bring your own juice & crackers. If you do not have them, you can come by the Church on Saturday, between the hours of 10am & 11am and you will be provided with individual communion servings.
