The kids will be singing a few songs at the end of service today. It's always so uplifting to hear the sweet voices of our kids!

Wednesday night we got to watch another movie from our very own Disciples Studio! We are so proud of our kids and are thankful for the hard work that Kim Black and Tammie Cleeton have poured into this ministry.

Thank you, one and all, for your generous gifts to go towards buying gifts for four families at the Downtown Women's Center. Each family has one child and you donated enough money for us to give them a very nice Christmas and a little something for their mothers.

We are pleased to announce that we delivered 87 bags of food for the families at Eastridge on Wednesday. This is our main outreach that we use the peach sales money for, Please pray for the kids in that area over the holidays that they will be safe and well fed.

As we come to the end of the year we'd like to remind you of our rental policies at the church building. To reserve a date call the church office to assure it's available. There is not always a rental fee but we do charge a cleaning fee for every use. Call the church office at 355-7303 for more info or to get on the calendar.
